

Semester 1 Enrichment Program
Session Dates: September 25 through November 13
Registration Deadline: Friday, September 22

Dear Parents,

Our After School Enrichment program offers unique opportunities for students outside of the classroom. Below you will see a description of each program offered, including the day, grade level, instructor and cost. Prices may vary due to the nature of the program and the varying cost for materials.

After school enrichments are held from 3:45pm *earliest*-5:00pm *latest* (depending on program). Students will be notified where to go for their ASE program. All students will be dismissed downstairs at the back entrance, where you will pick up your child unless otherwise notified. There are regular late fees and will be applied as outlined in our school handbook.

We have some programs that are offered through outside vendors. You will need to contact and register through them. Payments for outside vendors will not be accepted at front desk with CCA.

All checks are to be made payable to Cardinal Charter Academy (CCA); cash is also acceptable. Your payment will be forward to ASE Coordinator for processing and then distribute to the appropriate instructors. Once the payment has processed, your receipt will be forward to your child's homeroom teacher.

If you sign up for more than one enrichment, list only one enrichment per application form. Enrichments are subject to change from quarter to quarter and new enrichments may be added in the future.

If you have any questions or concerns, please email me!

Sincerely,

Shakerah McDowell

ASE Coordinator
Middle School

Course	Description	Instructor/Schedule	Grade level	Fee
Beginner Guitar Class	Students will be covering guitar basics (tuning, hand placement, identifying names of strings, string replacement, picking, and strumming, basic simple chords) We'll work on playing simple songs and melodies.	Mr. Cain Tuesdays 3:45-4:45	K-8th	\$60
Photography	Photography makes us so much more observant and aware of the wonderful little things that surround us each day. We can notice things like light, shadows, patterns, frames, and colors in our pictures. Students will need to have a small digital camera or cell phone(used only during this ASE)	Ms. McDowell Wednesday 3:55-4:55pm	3 rd -8 th	\$45
The Running Club	Running is fun! Students will run around CCA, learn lots of cool chants, decorate their own hats, shirts, water bottles and sun glasses. All materials are included in the fee. Students should be prepared with proper running gear, such as running shoes and light clothing, water will be provided.	Ms. McDowell Mondays 3:55-4:55pm	K-5th	\$60
Fantasy Football & Math	Do you love football? Do you love math? Let's put the two together and have some fun with the football season! This is a great way to learn to analyze statistics, learn some algebra and display your data...and be a football fan!!	Mr. Tanceusz Tuesdays 3:45-4:45	6-8	\$60
Little Prince/Princess Pageant	Students (girls & boys) will learn proper beauty, techniques and how to incorporate personality, intelligence, talent, and answers to judges' questions as judged criteria. *All students will receive a trophy for their participation. *Materials needed (<i>practice wear</i>): Black leggings, black long or short levee shirt, dress shoes with heels. *Additional information will be given during the initial meeting.	Ms. McDowell Tuesdays 4-5pm	K-5th	\$45
Yoga	This will be a basic introduction into different yoga posses and positions. Students will learn how to manage stress through meditation, breathing, and stretching. It will also give students an opportunity to work on flexibility, balance, and strength. Please come ready with a change of clothes, socks, and a yoga mat.	Ms. Stockreef Mondays 3:55-4:55pm	5 th -8 th	\$55
Volley Ball	We are looking for anyone that might be interested in playing and learning more about the sport. Even if you haven't touched a volleyball you are more than welcome to come out and learn more. We will learn about serving, passing and rules of the sport.	Ms. Ross Thursdays 3:55-4:55pm	3 rd -5th	\$80
Flag Football	Flag football is an alternative contact football that teaches basic skills and concepts of the game. This program is designed to introduce young athletes to the game while providing a safe environment to grow in the sport. Students will need comfort workout clothing, water bottles and sneakers	Mr. Robertson Tuesdays & Thursdays *4:55-5:55*	3rd-8th	\$70
Origami	Come and explore the basics of origami. Learn about the art of folding paper and see what figures you can make from just piece of paper. *No prior experience is necessary, it is a shared class environment so it is important that each folder can listen to and follow directions for 1 hour.	Mrs. Wang Mondays 3:55-4:55pm	3 rd -5th	\$70

Please contact and register through vendors.

NASA **Mad SCIENCE**

NASA: Academy of Future Space Explorers

DISCOVER THE NASA ACADEMY OF FUTURE SPACE EXPLORERS

Take a voyage of discovery into the atmosphere and beyond! Explore planets, moons and other space phenomena in our solar system. Discover the difficulties of space travel, the challenges of living in space and try assembling a satellite while training to be an astronaut.

Build your own Mad Science rocket and launch several with the group. Students will have lots of projects to make and to take home, plus - Mad Science is the **ONLY** organization licensed to use these activities for summer camps and school programs. All material developed by Mad Science and NASA.!

* Projects may vary based on program duration.

Sparking Imaginative Learning

Location: Held at Cardinal Charter Academy

Details: Mondays, 9/25 – 11/13
3:45 – 4:45 PM
Grades K - 5

\$99 for all 8 sessions!

Zaniac: Game Design w/Scratch at Cardinal Charter Academy

After-school classes begin **September 26th**!

At the invitation of Principal Rebecca Draper, beginning **Tuesday, September 26th** Zaniac Parkside is once again bringing our **engaging technology curriculum** directly to Cardinal Charter Academy students at your school!

In Computer Programming, students work with Zaniac instructors to solve computer problems and learn real-world skills software developers use every day. In Game Design, students will use those skills to re-create popular games like Pac-Man, as well as create their very own!

Game Design

- Create a new game every class
- Collaborative group learning
- Learn advanced concepts such as broadcasting, variables, and adaptability
- Experience with Scratch is recommended

Space is limited! Sign up today!

Course Details:

- Game Design with Scratch: Grades K - 6
- Classes meet 4:00pm - 5:00pm every Tuesday for 7 sessions
- Classes begin on Sept. 26th and end on Dec. 7th
- Classes conveniently meet at Cardinal Charter Academy
- Personal progress emails sent to parents after every class
- Tuition: \$210*

*Special Cardinal Charter Rate, compared to reg. price: \$299

Zaniac: Intro to Circuits at Cardinal Charter Academy

After-school classes begin **September 25th**!

At the invitation of Principal Rebecca Draper, beginning **Monday, September 25th** Zaniac Parkside is once again bringing our engaging technology curriculum directly to Cardinal Charter Academy students at your school!

Tinkering is a powerful way to inspire interest in the many applications of real-world technology. Learn by working through electrical engineering projects that use accessible cutting-edge hardware and teach 21st Century skills. Tinkering puts the power of electronics in the hands of the every student!

Intro to Circuits

- Course uses littleBits, a system of modules that magnetically snap together to build projects
- Build flashlights and synthesizers
- Learn about basic inputs, outputs, analogs, electricity and more
- No prior experience necessary

Course Details:

- Intro to Circuits:
Grades K - 6
- Classes meet 4:00pm - 5:00pm every Monday for 7 sessions
- Classes begin on Sept. 25th and end on Dec. 6th
- Classes conveniently meet at Cardinal Charter Academy

Sports Change Lives!

Screen Actor Training Acting Classes for Children

Through these classes students greatly increase:

- *confidence *self-awareness
- *communication skills *critical thinking
- *creative problem solving *Improvisation

These valuable classes help each student to become a better version of themselves. We learn all these traits by having a lot of FUN! It's so much fun that the kids don't even realize they are learning. We play lots of creative games that will help student's spur their imagination to even greater heights.

Each class is professionally videotaped with a broadcast quality camera. The performances are then uploaded via private link through Vimeo where students and parents can review their performances each week.

The cost of the session is \$63. Space is limited so sign up early.

About the Instructor: Rick Beeman spent 10 years in Hollywood writing, producing, and directing film and television projects. He has taught over 1000 students throughout the world using his unique teaching methods.

- "This was an awesome class! My daughter was so excited every day she had your class. You have an awesome way of engaging with the kids in a fun and exciting way that made this class so enjoyable. Can't wait to sign her up again. Thank you! Thank you! Thank you!" Sherie B.
- "Emily, used to be super shy, so I am very happy she's enjoying the class and getting more practice speaking in front of others. My daughter absolutely loves your class!! So grateful you're at CCA." - Camille K.
- "Thank you for your hard work with the kids! Mia enjoyed the class very much." Sylvia
- "Adalynn said that was the most fun she ever had 😊 Thanks for doing this." Sherry C

Training students in Traditional self-defense, tactics, proportional response, the Niji No Hashi offers Ninpo a program unlike any other in the martial arts world.

Students become quick thinking, confident practitioners.... capable of defusing dangerous situations, able to disarm and disable all types of assailants – quickly and efficiently, just like a Ninja.

The Niji No Hashi Dojo teaches children in effective self-defense techniques. Classes are held once a week Class time is spent on etiquette, stretching and fitness training, self-defense techniques, and fun games or exercises.

The training itself consists of Ninpo Taijutsu (primarily) and Jujutsu. Modern martial sports are only tiny pieces of a much greater "book of knowledge.

There is no sparring and no competitions. We teach good manners; about not becoming a bully and how to protect yourself from one; we teach and expect patience and perseverance.

As with all classes, students should bring a notebook and take notes and ask questions to help their understanding.

Children's classes are once a week Class time is spent on etiquette, stretching and fitness training, self-defense techniques, and fun games or exercises.

Japanese martial arts techniques that rely on a science of body movements.
