New ASE Classes Added

Several new classes have been added to the [list of programs available](#) for students during Session III of our Afterschool Enrichment (ASE) program, including flag football and chess.

Please see the [updated flyer](#) for a complete list of classes available.

If you're interested in signing your student(s) up for any of them, email [Ms. McDowell](#) (smcdowell@cardinalcharter.org) the information required on the registration sheet by Friday, April 6th, and be prepared to pay for the class when students return to school on April 9th.

The cafeteria will no longer be accepting cash for lunch accounts, snacks, and ice cream after Spring Break. Parents can pay by check, money order, credit card (at the front office) or Efund and Freedom Café (online payment portals).

To: All CCA Families,

Spring Picture Day is Tuesday, April 10th!!! This is a "dress-up" picture day event; students can wear regular attire so long as it's comfortable and school appropriate. It's a great time to have your child show his/her style!!

Every student will have their picture taken—kindergarten through 8th grade. Then, after about 3-4 weeks, families will receive the photographs, at which time you will then have the opportunity to select the portrait(s) you would like to purchase. Ordering information will be included in the picture packet you will receive. There is no pre-ordering for Spring Picture Day. If you decide to purchase pictures, you may do so online or by cash. If you decide that you don't want to purchase pictures, simply return the picture packet to your child's teacher.

Please check your student's book bag for a Picture Day flyer sent home this past week. If you have any questions, please email [Dr. J.](#)

GoPlaySave Volunteer Needed

We're looking for a rising 5th grade parent and a rising 8th grade parent to help out with an awesome fundraising event during the summer and early fall.

We have been approached by GoPlaySave to sell their coupon books. This was a successful fundraising event for our school during the first 3 years. The books are \$30 each, and our school keeps \$15 for every book sold.

Last year we raised \$9,000, and it is even simpler and more straightforward now. GPS offers an online platform where credit card payments can be accepted for either hard copy paper books or the mobile app.

We need a parent volunteer from both the rising 5th and rising 8th grade classes to be a liaison. Those 2 grades have large field trips—5th grade to Camp Don Lee and 8th grade to DC—and we would like to split the proceeds across both grades to reduce the costs of the trips for the students.

Questions or interested in volunteering? Email [Tabitha](#).
