### Message from the Principal

Hello, Cardinals! I hope you're all enjoying your nice long weekend. Remember that tomorrow is Memorial Day and we are not in school. We've only got five and a half days of school left, and I am so excited to help you all celebrate an awesome year of school! Before we really celebrate, though, we still have a few days of testing for our middle school students. Tuesday, Wednesday, and even on Thursday we'll be administering EOG tests. We do still need [proctors](#) for those days if you are able to give us some of your time.

Special thanks to all of you who have volunteered already this past week. We are so grateful to our proctors for enduring the silence necessary for testing to go smoothly! Thanks also to all of you who have helped out in other areas and in elementary classrooms as well. There's a lot going on, but we're happy that you are willing to help when and where you can.

All event details are listed here in the newsletter and on the [PTC's website](#). If you have questions about anything that's going on, please reach out to your child's teacher or the front office. Let's have a great week of school!

**Becky Draper, Ed.D.**
