Message from the Principal

Happy last week of school, Cardinals! We've only got one-and-a-half days left in this school year, and I know you're all going to make them great!

I'd like to thank all the parents who have stepped up this past week to help out in so many ways. If you volunteered to coordinate and help with field days, the book fair, graduations, used uniform sale, classroom parties, carpool, or in any other area, your presence was truly appreciated! Our teachers are so grateful to you for helping us celebrate the year and bring it to a fun and exciting close.

There are still quite a few things going on over the next 1.5 days, so check out the other sections of the newsletter for details and times. The used uniform sale happens tomorrow and there's still time to get great deals at the book fair, which will remain open until 8:30 tomorrow night.

Let's celebrate our year together, and let's have a great couple of days before we take our summer break!

Becky Draper, Ed.D.
Principal

First Day of School!

School reopens **August 27th!** Parents, please plan your vacations so that students are back at school on the first day. We need all students to be present **on the first day**—100% present. Our school funding heavily depends on all students being present on the first day, *not just day 2 or day 3*, but the first day! A student who does not show up on the first day is called a “no show”; we receive no funding for “no shows,” and “no shows” stand the chance of having their seats replaced.

How do attendance numbers during the first 20 days affect school funding?

The school receives \$7200 for each student based on Average Daily Attendance (ADA) for the first 20 days. Each day a student is in class during the first 20 days is worth \$360 in funding for the school. If 100 students miss the first day of school, that’s five sets of \$7200, or \$36,000, that CCA won’t receive.

Here’s a simplified example of how funding is determined based on (ADA):

Number of students enrolled: 1000

Number of days in school month: 20

Full attendance days: $1000 \times 20 = 20,000$ student days

Attendance on first day: 900; Attendance on second day: 950; Attendance on third day: 900

Attendance on fourth day: 950; Etc.

Total actual attendance days: $(10 \text{ days} \times 900 \text{ students}) + (10 \text{ days} \times 950 \text{ students}) = 9000 + 9500 = 18,500$
 $18,500 \text{ actual student attendee days} / 20 \text{ school days} = 925 \text{ students}$

So even though 1000 students might be enrolled, the school will only receive funding for 925 students.

Amount of money allotted per student: \$7,200

100% attendance = \$7,200,000

Actual attendance = \$6,660,000

The difference is the cost of multiple teachers or support staff or even supplies.

End-of-Year Marker Clean-Out!

Drop your dried-up, smashed-in, or unwanted markers (any brand) in the collection box near the front desk of the school. The PTC will send them off to the Crayola facility where they will be converted into clean fuel. This fuel can be used to power vehicles, heat homes, cook meals and more!

Look for drop-off boxes this week at school!

Dear Parents:

We are looking forward to another great year of middle school sports! We are kicking off the school year with boys soccer and co-ed cross country for the fall season. Only students in grades 6-8 are eligible to participate in school sports.

Tryouts for both of these sports will be:

August 28th and August 29th from 3:45-5:00pm (both days are mandatory).

There will be an *optional boys soccer workout* after school on August 22nd and August 24th from 3:45-5:15pm (meet in the gym at 3:45pm). These workouts are for 6th-8th grade boys interested in trying out for the team, but attendance is not required.

ATHLETES ARE TO BE PICKED UP ON TIME IN THE PARKING LOT AREA BY THE BACK ENTRANCE WAY.
THANK YOU!

Students interested in trying out for a team this fall must...

- Sign up in the gym between August 22nd – August 25th.
- Supply their own attire for that sport (running shoes/cleats, shin guards, socks, goalie gloves - if trying out for the position and any other necessary equipment).
- Have an up-to-date sports physical on file with the school Athletic Director *before August 28th* (Sports physical form attached and can be found on the [PTC website](#)). Physicals expire one year after the exam.

*With regard to the physical forms, most pediatricians can complete and return the form to you without an office visit if your child has had an annual physical within the previous year. However, if you are in need of a physical you can obtain one for \$30 at Doctor's Express Urgent Care in Cary.

We will offer boys & girls basketball and cheerleading in the winter, as well as co-ed track & girls soccer in the spring.

If you have any questions, please feel free to contact me at the email address below.
