Message from the Principal

We did it, Cardinals! We successfully completed our journey together. Along the way, we had lots of ups but also some downs. We had good days and also some sad days. We made lots of good choices but also some bad ones. We had trials, experiments, and lots of opportunities for growth. These have all shaped our character. Despite some setbacks, it's been a great year. We've had successes every day as we have grown and learned.

I am so hopeful for the future. We have staffed Cardinal with an amazing team of top-notch educators who are committed to the school and the teaching profession. We will continue next year to focus on the key indicators that create highly effective schools: strong instructional leadership, high expectations for all students, a focus on quality instruction, creating a safe and orderly environment, using data to inform our practice, maximizing engagement in the classrooms, and positive home-school relationships.

We have new goals for next year as well. We plan to implement a strong, quality, gifted education program. We are going to introduce more project-based learning opportunities in all classes. We are going to start a character education and service learning program that will teach all students how to be good people and give back to the community.

I am so excited about the opportunities that next year will bring! I appreciate your support of and belief in our school, and I have high hopes that we are going to do amazing things in 2018 and 2019! Please have a safe and happy summer, please read lots of books, and come back on August 27th ready to challenge yourselves in new and fun ways!

Box Tops

Please continue to cut and save your Box Tops over the summer! We made over \$600 this year just from clipping Box Tops!

PTC Meeting

Mark your calendars for Monday, June 11th. Our final PTC meeting of the year will begin at 7pm. Attendees will earn one volunteer hour for the next school year!

CCA Bus Transportation Information 2018-2019 School Year

This is parent-sponsored, not CCA-affiliated, bus transportation to and from school. Information can be found [here](#), along with instructions on how to join the associated FB group.

Enrollment

Hi Cardinal Families,

If your child isn't 100% committed to being a Cardinal next school year, please let us know as soon as possible! We hate to see you go, but please understand that there are many other students who would love to experience what it's like to be a Cardinal!

Thank You,

First Day of School!

School reopens **August 27th!** Parents, please plan your vacations so that students are back at school on the first day. We need all students to be here **on the first day**—100% present. Our school funding heavily depends on all students being present on the first day, *not just day 2 or day 3*, but the first day! A student who does not show up on the first day is called a “no show”; we receive no funding for “no shows,” and “no shows” stand the chance of having their seats replaced.

How do attendance numbers during the first 20 days affect school funding?

The school receives \$7200 for each student, based on Average Daily Attendance (ADA) for the first 20 days. Each day a student is in class during the first 20 days is worth \$360 in funding for the school. If 100 students miss the first day of school, that’s five sets of \$7200, or \$36,000, that CCA won’t receive.

Here’s a simplified example of how funding is determined based on (ADA):

Number of students enrolled: 1000

Number of days in school month: 20

Full attendance days: $1000 \times 20 = 20,000$ student days

Attendance on first day: 900; Attendance on second day: 950; Attendance on third day: 900

Attendance on fourth day: 950; Etc.

Total actual attendance days: $(10 \text{ days} \times 900 \text{ students}) + (10 \text{ days} \times 950 \text{ students}) = 9000 + 9500 = 18,500$
 $18,500 \text{ actual student attendee days} / 20 \text{ school days} = 925 \text{ students}$

So even though 1000 students might be enrolled, the school will receive funding for only 925 students.

Amount of money allotted per student: \$7,200

100% attendance = \$7,200,000

Actual attendance = \$6,660,000

The difference is the cost of multiple teachers, support staff, or even supplies.

Dear Parents:

We are looking forward to another great year of middle school sports! We are kicking off the school year with boys soccer and co-ed cross country for the fall season. Only students in grades 6-8 are eligible to participate in school sports.

Tryouts for both of these sports will be:

August 28th and August 29th from 3:45-5:00pm (both days are mandatory).

There will be an *optional boys soccer workout* after school on August 22nd and August 24th from 3:45-5:15pm (meet in the gym at 3:45pm). These workouts are for 6th-8th grade boys interested in trying out for the team, but attendance is not required.

ATHLETES ARE TO BE PICKED UP ON TIME IN THE PARKING LOT AREA BY THE BACK ENTRANCE WAY.
THANK YOU!

Students interested in trying out for a team this fall must...

- Sign up in the gym between August 22nd – August 25th.
- Supply their own attire for that sport (running shoes/cleats, shin guards, socks, goalie gloves - if trying out for the position and any other necessary equipment).
- Have an up-to-date sports physical on file with the school Athletic Director *before August 28th* (Sports physical form can be found on the [PTC website](#)). Physicals expire one year after the exam.

*With regard to the physical forms, most pediatricians can complete and return the form to you without an office visit if your child has had an annual physical within the previous year. However, if you are in need of a physical you can obtain one for \$30 at Doctor's Express Urgent Care in Cary.

We will offer boys & girls basketball and cheerleading in the winter, as well as co-ed track & girls soccer in the spring.

If you have any questions, please feel free to contact me at the email address below.
