

Dress Code

Wearing the Cardinal Charter uniform helps a student feel a sense of belonging and school pride. A higher standard of dress encourages greater respect for individual students and others, and results in a higher standard of behavior. It also prepares students for the dress code requirements of the workforce. Our dress code guidelines indicate appropriate school dress for normal school days. Cardinal Charter Academy reserves the right to interpret these guidelines and/or make changes during the school year. The dress code serves to maintain a safe and orderly school environment conducive to learning. Students are expected to follow these guidelines. Every student in attendance will wear a school uniform. Failure to wear any part of the school uniform will result in a disciplinary action.
